In 2026, our flagship event will take place in Portugal, at the crossroads of the Atlantic and the Mediterranean, offering a unique vantage point for exploring contemporary international relations. Following the remarkable success of PEC 2025 in Bologna, we will gather in Lisbon’s inspiring scholarly environment at the ISCTE—University Institute of Lisbon.

As per our tradition, PEC 2026 will be organized in thematic sections, both standing and new ones, and will welcome colleagues from a diversity of disciplines relating to international studies, from Europe and beyond. Plenary sessions will highlight key issues in current debates in international relations, with leading experts from our association. We will also offer opportunities through our Early Career Development Group events, social events, and professional development activities to nurture our community.

The EISA’s Mobility Fund has been increased over the years, and we will continue providing support for those in financial need to attend, ensuring our conference remains more inclusive and accessible. We are committed to making the 19th edition of our conference as welcoming and rewarding as possible, where ideas can be formulated, debated, criticized, shaped and sharpened through mutual respect and understanding.

It is this spirit which has made EISA’s Pan-European Conferences the leading annual event in International Relations in Europe, and we are looking forward to continuing this tradition Portugal’s vibrant capital!

ABOUT LISBON

Situated near the Tagus river and sunny almost all the time.

With over 20 centuries of History, this city located on the 7 hills shows multiple contrasts between the historical and modern, combining different cultures, trends and lifestyles. Situated near the Tagus river and sunny almost all the time, the Portuguese capital has a unique beauty and an internationally acclaimed architectural singularity.

Rich in monuments, neighbourhoods (Baixa Pombalina, Belém, Bairro Alto, Chiado, Bica, Alfama and Mouraria), riverside zone, Fado houses, parks, gardens and viewpoints, Lisbon offers various possibilities to discover, so visit and enjoy the vast natural, historic and cultural city heritage.

The gastronomy of Lisbon is very influenced by its proximity to the sea. So typical specialties in Lisbon are fried cod, fried green beans, and grilled sardines on bread (mainly in the feast of the popular saints that occurs during the month of June). The famous Bife à Café is also considered a capital's "ex-libris" food. The most famous dessert in Lisbon is the traditional Pastel de Nata (custard tart), made in a former factory in Belém, better known as Pastel de Belém.

PARTNERSHIP PROGRAMME

We encourage
you to join us
and look forward
to meeting you
in Lisbon, Portugal
in 2026

Why become a partner

THE PAN-EUROPEAN CONFERENCE (PEC) is the largest International Relations conference in Europe with more than 1,500 attendees in Bologna (2025), 1,000 attendees in Lille (2024), 1,300 attendees in Potsdam (2023), 1,100 in Athens (2022). It has become the key event in the annual IR calendar and thus an unmissable opportunity for sponsors. For academic sponsors and exhibitors, particularly publishers, this is a great opportunity to reach a large number of academics in a professional and carefully curated setting.

Sponsor and exhibitor recognition

The exhibition is an integral part of PEC. Exhibiting at PEC 2026 gives you an opportunity to present your company, cultivate established relationships, identify your new business contacts, and increase your company's profile.

The exhibition will be in close vicinity to the meeting rooms and will be combined with food and beverage areas to guarantee a constant flow of visitors to your stand.

Sponsorship and exhibition opportunities

Participating in our sponsorship programme will extend your visibility beyond the exhibition and conference hall to achieve maximum exposure at the Conference. The range of sponsorship opportunities available means that you can choose the package that fits best your marketing strategy. However, since pre-set packages may not necessarily meet all corporate requirements, we can create tailor made packages to fit specific marketing objectives. We welcome your comments and suggestions, and we will be glad to assist with any inquiries you may have.

We encourage you to join us and look forward to meeting you in Lisbon, Portugal in 2026.
